

Hi Etienne,

Thanks for contacting me.
Unfortunately we could not participate in the last reunion but we are interested to meet and see all the people we grew up with at school. Margie (ne Muir) and I are still together after 45 years. We live in Cape Town and have done so since 1987.

I'm shocked at some of our friends passing on but that's life and old age is not for "sissies".

Please keep me in the loop.

Regards,

Eugene Parkin
