

Hi Paul,

Am looking forward to seeing you at the Reunion!

Thanks for posting a '62 class photo- didn't know you were that good-looking!

Wish I could help with the website but am no techno-whizz. Moved from Ireland to Germany 1 year ago- beaurocracy here is killing me but good to get back to my roots.

Am still hopping over to Ireland to work there. And you? Still going strong? It'll be great to catch up.

Uta (Irsigler)
